

## Adopt an Elk or Bison

***"Friends of LBL"*** has started an exciting new program. You can now adopt a symbolic elk or bison representative of the animals in the Elk-Bison Prairie (EBP). An adoption cost \$30.00 plus postage, if mailed. The adoptive parent receives a plush elk or bison, an adoption certificate, information on the type of animal adopted and a complimentary admission to the EBP. This makes a great gift for a child or animal lover. The adoption proceeds support educational programs at LBL and programs at the EBP. To adopt an elk or bison call 270-924-2088, come by our office at 345 Maintenance Road, Golden Pond, KY; visit one of our gift shops, or fill out and return the form below.
